Welcome back to an exciting year at Montclair School! We're happy to have our students returning to school and extend a special welcome to the new students joining our school community. We would also like to welcome Mr. King ~ Physical Education Teacher, Ms. Figueroa ~ Mrs. Gao's 1st Grade Long Term Substitute, Mrs. Maver ~ Literacy Specialist, and Mr. Mullen ~ 5th Grade Skills Support Teacher.

The staff and I are very excited that you have entrusted your child's education to us. We will make every effort to help your child achieve academically and socially this year. It is our goal to create an enriching learning environment that engages students. Montclair has a dedicated and talented teaching staff with a wealth of knowledge. We also have an excellent support staff that work in different capacities to support your child's learning.

We want your child to be happy and successful at Montclair and believe that you play a key role. That role is to continually show interest in and support for your child's education. The child who knows that his or her family is interested in and supports the school program will enjoy greater success.

Finally, if you have any concerns please don't hesitate to contact me or your child's teacher. Ms. Lam, the school guidance counselor, is also available to answer any questions you may have. We are all here to support you and your child in whatever way we can.

On behalf of the entire staff at Montclair School we thank you for your support and cooperation and we welcome you to the new school year!

Sincerely,

Renée Lalumiere Malvesti
Principal
