

EIGHTH GRADE
The Adams Team

Dear Eighth Grade Students,

Welcome to Central Middle School and to the “Adams” team. We are looking forward to making your final year at Central an exciting and memorable one. We will be taking you to places you have never been before. You’ll discover the wonders of science, the beauty of art, and the power of mathematics. You’ll experience the development of the American spirit as seen through historical events and the eyes of its poets and authors.

To embark on this year long adventure, you will need to be properly prepared. In addition to having writing utensils, please have the following materials for each class on Wednesday, September 9th:

<i>Subject</i>	<i>Materials</i>
Language Arts <i>Ms. Melia, Room 24</i>	3-ring binder with refillable paper, dividers for binder, composition book (journal writing) pens, pencils, 4 X 6 index cards
Math <i>Ms. Kronish, Room 38</i>	Single subject notebook, folder with deep pockets, graph paper (1/4 inch), basic calculator with 4 functions and square root (mandatory for both science and math), 3-ring binder
Science <i>Ms. Houghton, Room 35</i>	3 ring binder with refillable paper, dividers for binder
Social Studies <i>Mr. Pavao, Room 23</i>	Double subject notebook, highlighter, glue stick, folder with two pockets, small stapler
Spanish* <i>Mr. Cordero, Room 20</i>	Composition book

We would appreciate it if all students would bring one box of tissues to his/her homeroom teacher and we would happily accept hand sanitizer as well!

* Students who took French last year will be grouped together in a Spanish class this year.

** Students who were in the honors division last year (7-3) will remain together in an honors division this year. Please contact guidance the week of August 31st if you have any concerns about this.

Enjoy the rest of your summer vacation. We hope you are looking forward to an exciting eighth grade year as much as we are. See you in September!

Sincerely,
The Adams team
