

EIGHTH GRADE
The Lincoln Team

Dear Eighth Grade Student,

Welcome to the “Lincoln” team. You are about to go on a journey through American History, explore your environment, open doors to your imagination through literature, use hands-on materials to discover math, and develop writing skills to become a published author.

Wow...your eighth grade year will be an adventure!

Your teachers will work together to provide opportunities for you to reach your full potential in all academic areas. Through content-based assignments and interdisciplinary projects, you will realize that everything you learn is “connected” and meaningful. We are looking forward to being a part of your eighth grade experience.

There are a few things you will need to have with you upon your arrival at Central Middle School on Wednesday, September 9th. Each teacher on our team would like you to have individual materials for their subject. This is important because there are times throughout the year that we may collect your notebook for a grade. It is also very important for all students to bring their agenda book, writing utensils (3 pencils, pens and set of highlighters), pencil pouch and an independent reading book to every class. Below is a list of specific classroom materials:

<i>Subject</i>	<i>Materials</i>
Language Arts <i>Ms. McGuiggan, Room 41</i>	3 Ring-binder w/5 dividers (loose leaf paper), index cards, notebook, pocket folder, ruler
