GRADE 7 MATH SYLLABUS

TEACHER: Mr. Mark Rosenthal

COURSE/GRADE LEVEL: Seventh Grade Math

INSTRUCTIONAL MATERIALS:

McDougal Littell Pre-Algebra

McDougal Littell Math Course 2

MAJOR TOPICS:

I. Integers, Decimals, and Fractions

II. Equations, Inequalities, Proportions and Percents

III. Geometry and Measurement

IV. Polynomials and Transformations

ASSESSMENT TOOLS

Class Participation, Notebook Checks, Homework, Quizzes, and Tests.

See Student Individual Education Plans or 504 Plans for modification where applicable.

HOMEWORK EXPECTATIONS

Homework will be given most nights. Students should not spend more than 25 minutes on their homework. All work must be shown. Students will receive a score of 2, 1, or 0. Ones will be given for not showing work or assignments turned in late. Zeros are incompletes.

GRADING POLICY

Class Participation	5%
Notebook	10%
Homework	15%
Quizzes	30%
Tests	40%

MAKEUP PROCEDURE

Students can complete all missing assignments within a reasonable timeframe for full credit.
