

QUINCY PUBLIC SCHOOLS

ATHLETIC DEPARTMENT

ATHLETICS REGISTRATION

In order for a student-athlete to be eligible to tryout/practice on the first date, they must have ALL of the following completed or they will not be allowed to participate on that first day.

1. **FAMILYID** – For each sports season, all interested athletes must register online at FamilyID.
Quincy High School: <https://www.familyid.com/quincy-high-school>
North Quincy High School: <https://www.familyid.com/north-quincy-high-school>
If you have used FamilyID in previous seasons, please log in using the same username & password and make sure all information is current. If you are new to FamilyID, you will have to create an account and then you will be prompted to complete all the required fields.
2. **PHYSICALS** – All athletes must have an up-to-date physical on file with the nurses' office in order to participate. Physicals must be done within the last 13 months. Electronic copies can be emailed or handed into the Athletic Director, Assistant Athletic Directors, and school nurses.
3. **ImPACT TEST** - All athletes must complete the online ImPACT baseline concussion course. If you have not taken the test yet, you must complete the test prior to tryouts/practice. This test is administered by the Athletic Director, Assistant Athletic Director, or Athletic Trainer. We will have scheduled days for students to complete the testing prior to the first day of the season. Or we will email the link to the exam to those students that need to complete it.
4. **ACADEMICS** - According to QPS policy, a student may not have more than one failing grade during the last marking period preceding the contest. To be eligible for Fall sports, a student may not have more than one failing grade on the previous academic year final report card. All incoming grade 9 students are eligible for Fall sports. The academic eligibility of all students shall be considered as official and determining only on the date when the report cards for that ranking period have been issued.
5. **USER FEES** – All athletes must pay a user fee in order to participate. We ask that these payments be made by the first scheduled game or contest. \$100.00 per student-athlete per sport; Football costs \$150.00 per student-athlete; Lacrosse costs \$150.00 per student-athlete; Hockey costs \$300.00 per student-athlete. The family cap is set at \$750.00. Payments can be made by cash/check/money order (made payable to "QPS Athletic Fund") or online (<https://unipaygold.unibank.com/customerinfo.aspx> - search Quincy Public Schools). We do offer financial payment plans for those families that need the assistance. In these situations, a conversation must be had with the Athletic Director prior to the first scheduled game or contest.
